

SAME Savannah Post

2017 ENGINEERING WEEK (E-Week)
TECHNICAL TRAINING CONFERENCE

February 22-23, 2017
Marriott Riverfront
100 General McIntosh Blvd
Savannah, GA 31401

The SAME Savannah Post will host a networking ice breaker Wednesday evening, February 22, from 5:00 to 7:00 pm at the Marriott Riverfront.

Technical Sessions will be held on Thursday, February 23rd. Registration opens at 7:30 am.

In recognition of E-Week and its theme, [Engineering Resilient Communities](#), the SAME Savannah Post, in conjunction with the local engineering and architectural community, will offer a one day workshop to provide technical insights that are valuable to all engineering/architectural disciplines.

This workshop is about the many facets of Resiliency affecting our nation. Our communities must prepare for a future with a wide spectrum of possible threats, weighing risks and probabilities to determine the best actions today that can minimize loss in a future event. This year's E-Week Technical Training Day will consider how the engineering community is taking a proactive, flexible approach to assessment, analysis, and adaptation, to prepare for potential disasters and minimize impacts to our communities.

Please contact Hollie Dupes (hollie.dupes@jacobs.com), or Margaret Walton (margaret.walton@atkinsglobal.com), if you are interested in presenting.

There will be 6.5 Professional Development Hours (PDH) available for registered attendees.

Please see the Post web site at: <https://www.samesavannahpost.org> for more information, speakers and registration. Registration opens on November 14th.

Rates:

- \$100 Government Rate
- \$125 Early Registration by February 4
- \$155 Late Registration
- \$25 Student Rate

The room rate at the Marriott Riverfront for the SAME room block is \$115 per night. Call 912-233-7722 for reservations.

Your company can sponsor the Ice Breaker or the professional event for \$250 and up.
